Today we're gathered to celebrate the 71 birthday of Javier Ortiz

But the truth is that not everything is partying and fun. Just before starting, the gift Javier Ortiz has disappeared.
Curiously, nobody remembers seeing it in person, although everyone swears it was there. And everything suggests someone very close has taken it.
Here is the list of suspects:

Isabel María, The Nosy One

Pedro Alonso, The Dreamer

Rocío Vargas, Miss Nosy

Lourdes Peña, The Tranquil

Óscar Medina, The Pianist

Raquel Soler, The Joker

Pilar Montes, Early Riser

Elena Soler, The Chatty

Each one of them was doing something different at the time of the robbery, in a different place, busy with something different, and has left a trail.

One by one, you must reconstruct exactly where each suspect was. To do so, you will have to solve several tests scattered around the crime scene. Until you hold every clue, you won't be able to place each person.

And only when the map is complete will you know which place is left empty: the place where the gift was.

Whoever shows up there is the one who took it.

Time is running. The cake is getting cold. Get going.

PUZZLE OF THE STOLEN GIFT

As you solve the puzzle, write down under each name the clues about where each character may be. It will help you find the thief.

There's something wrong with this painting,
don't look at what the painter put in,
look at what they left out.

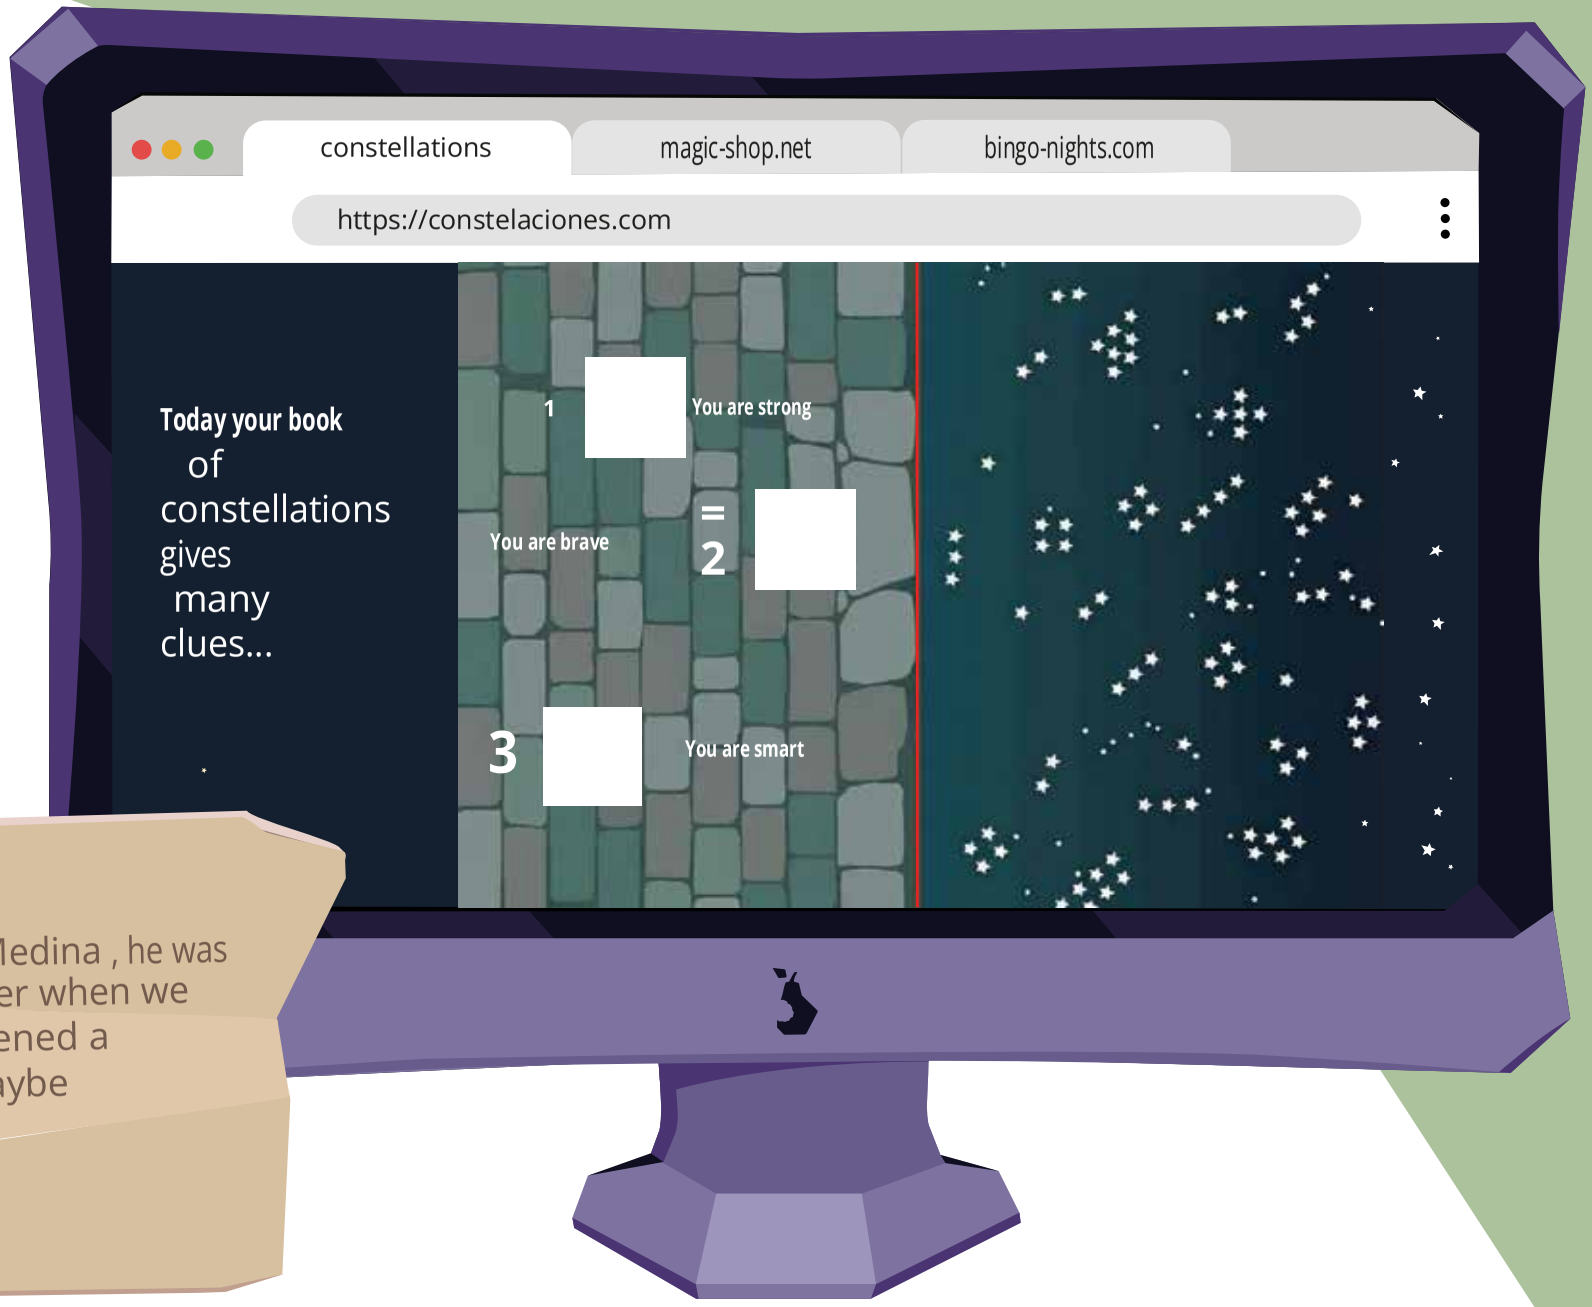

We know that Lourdes Peña they were messaging someone through an app.

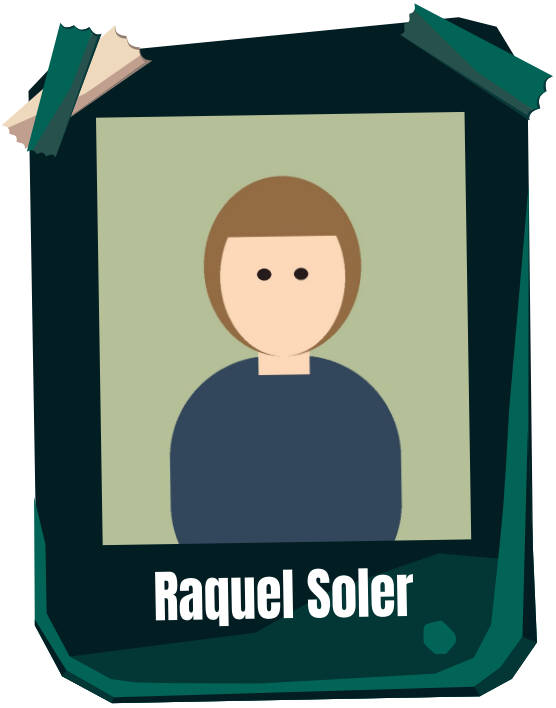

We know that Óscar Medina , he was looking at the computer when we caught him. So he opened a quick website, but maybe left us a clue without realising.

We know that Raquel Soler they carry a backpack. Opening it we found lots of random stuff, and notes.

Do not look in the attic cupboard: that is where the suspect list I made last month is. If he asks, say they are only ideas for his present, and that nobody should find out about Saturday's party.

Pilar Montes was too embarrassed to tell us this, and has gone home.
They left us a letter along with 1 Battleship game.

Friends / family:

I wanted to confess my most hidden hobby on a day as special as today.
I'm a die-hard Battleship fan.

Since I know you're looking for culprits, I've left you a clue in my favorite game.

I also wanted to confess my other hobbies:

I like Singing boleros in the shower when no one hears, and I love Collecting football stickers from the 80s.

I hope we can share my hobbies some other time all together.

If we look at the tablet of Elena Soler maybe we'll find something.
