

Today we're gathered to celebrate the 28 birthday of Lucía

But the truth is that not everything is partying and fun. Just before starting, the gift Lucía has disappeared.

Curiously, nobody remembers seeing it in person, although everyone swears it was there. And everything suggests someone very close has taken it.

Here is the list of suspects:

Iván, El Mudo

Bea, La Oculta

Tomás, La Curiosa

Carmen, El Tranquilo

Rubén, El Tecno

Sara, El Chef

Pablo, El Soñador

Lidia, La Lista

Each one of them was doing something different at the time of the robbery, in a different place, busy with something different, and has left a trail.

One by one, you must reconstruct exactly where each suspect was. To do so, you will have to solve several tests scattered around the crime scene. Until you hold every clue, you won't be able to place each person.

And only when the map is complete will you know which place is left empty: the place where the gift was.

Whoever shows up there is the one who took it.

Time is running. The cake is getting cold. Get going.

*I wanted to confess my most hidden hobby on a day as special as today.*

*I'm a die-hard Battleship fan.*

*Since I know you're looking for culprits, I've left you a clue in my favorite game.*

*I like Bailar sevillanas sin parar, and I love Coleccionar cucharas de viaje.*

*I hope we can share my hobbies some other time all together.*
