

Today we're gathered to celebrate the 45 birthday of Martha

But the truth is that not everything is partying and fun. Just before starting, the gift Martha has disappeared.

Curiously, nobody remembers seeing it in person, although everyone swears it was there. And everything suggests someone very close has taken it.

Here is the list of suspects:

Ruth, The Discreet

Hugo, The Grump

Lucy, The Gossip

Ivan, The Joker

Sara, The Pianist

Rob, The Quiet

Nora, The Wanderer

Eve, Early Bird

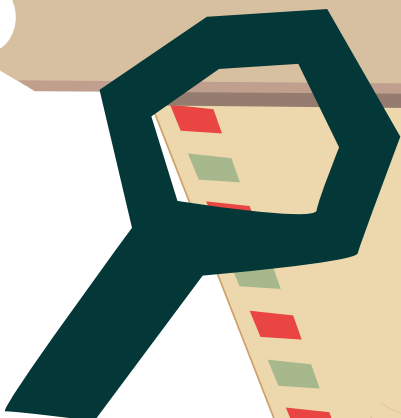

Each one of them was doing something different at the time of the robbery, in a different place, busy with something different, and has left a trail.

One by one, you must reconstruct exactly where each suspect was. To do so, you will have to solve several tests scattered around the crime scene. Until you hold every clue, you won't be able to place each person.

And only when the map is complete will you know which place is left empty: the place where the gift was.

Whoever shows up there is the one who took it.

Time is running. The cake is getting cold. Get going.

PUZZLE OF THE STOLEN GIFT

As you solve the puzzle, write down under each name the clues about where each character may be. It will help you find the thief.

Nora

Nora was too embarrassed to tell us this, and has gone home. They left us a letter along with 1 Battleship game.

Friends / family:

I wanted to confess my most hidden hobby on a day as special as today.

I'm a die-hard Battleship fan.

Since I know you're looking for culprits, I've left you a clue in my favorite game.

I also wanted to confess my other hobbies:

I like Sewing, and I love Watching mystery series.

I hope we can share my hobbies some other time all together.

If we look at the tablet of
Eve maybe
we'll find something.
