Today we're gathered to celebrate the 30 birthday of Ian

But the truth is that not everything is partying and fun. Just before starting, the gift Ian has disappeared.
Curiously, nobody remembers seeing it in person, although everyone swears it was there. And everything suggests someone very close has taken it.
Here is the list of suspects:

Chloe, The Mute

Nathan, The Hidden

Ruby, The Curious

Adam, The Calm One

Danny, The Techie

Paul, The Chef

Mark, The Dreamer

Clare, The Smart

Each one of them was doing something different at the time of the robbery, in a different place, busy with something different, and has left a trail.

One by one, you must reconstruct exactly where each suspect was. To do so, you will have to solve several tests scattered around the crime scene. Until you hold every clue, you won't be able to place each person.

And only when the map is complete will you know which place is left empty: the place where the gift was.

Whoever shows up there is the one who took it.

Time is running. The cake is getting cold. Get going.

PUZZLE OF THE STOLEN GIFT

As you solve the puzzle, write down under each name the clues about where each character may be. It will help you find the thief.

We know that Chloe they were doing something suspicious.

When we asked them, we only found a few scraps of paper.

We know that Nathan
they were sending a secret
note to someone, but they won't
tell us to whom.
We only have an encrypted note.

We know that Ruby
they were looking at one of
the house paintings, and made some
notes on an invoice
they had.

There's something wrong with this painting,
don't look at what the painter put in,
look at what they left out.

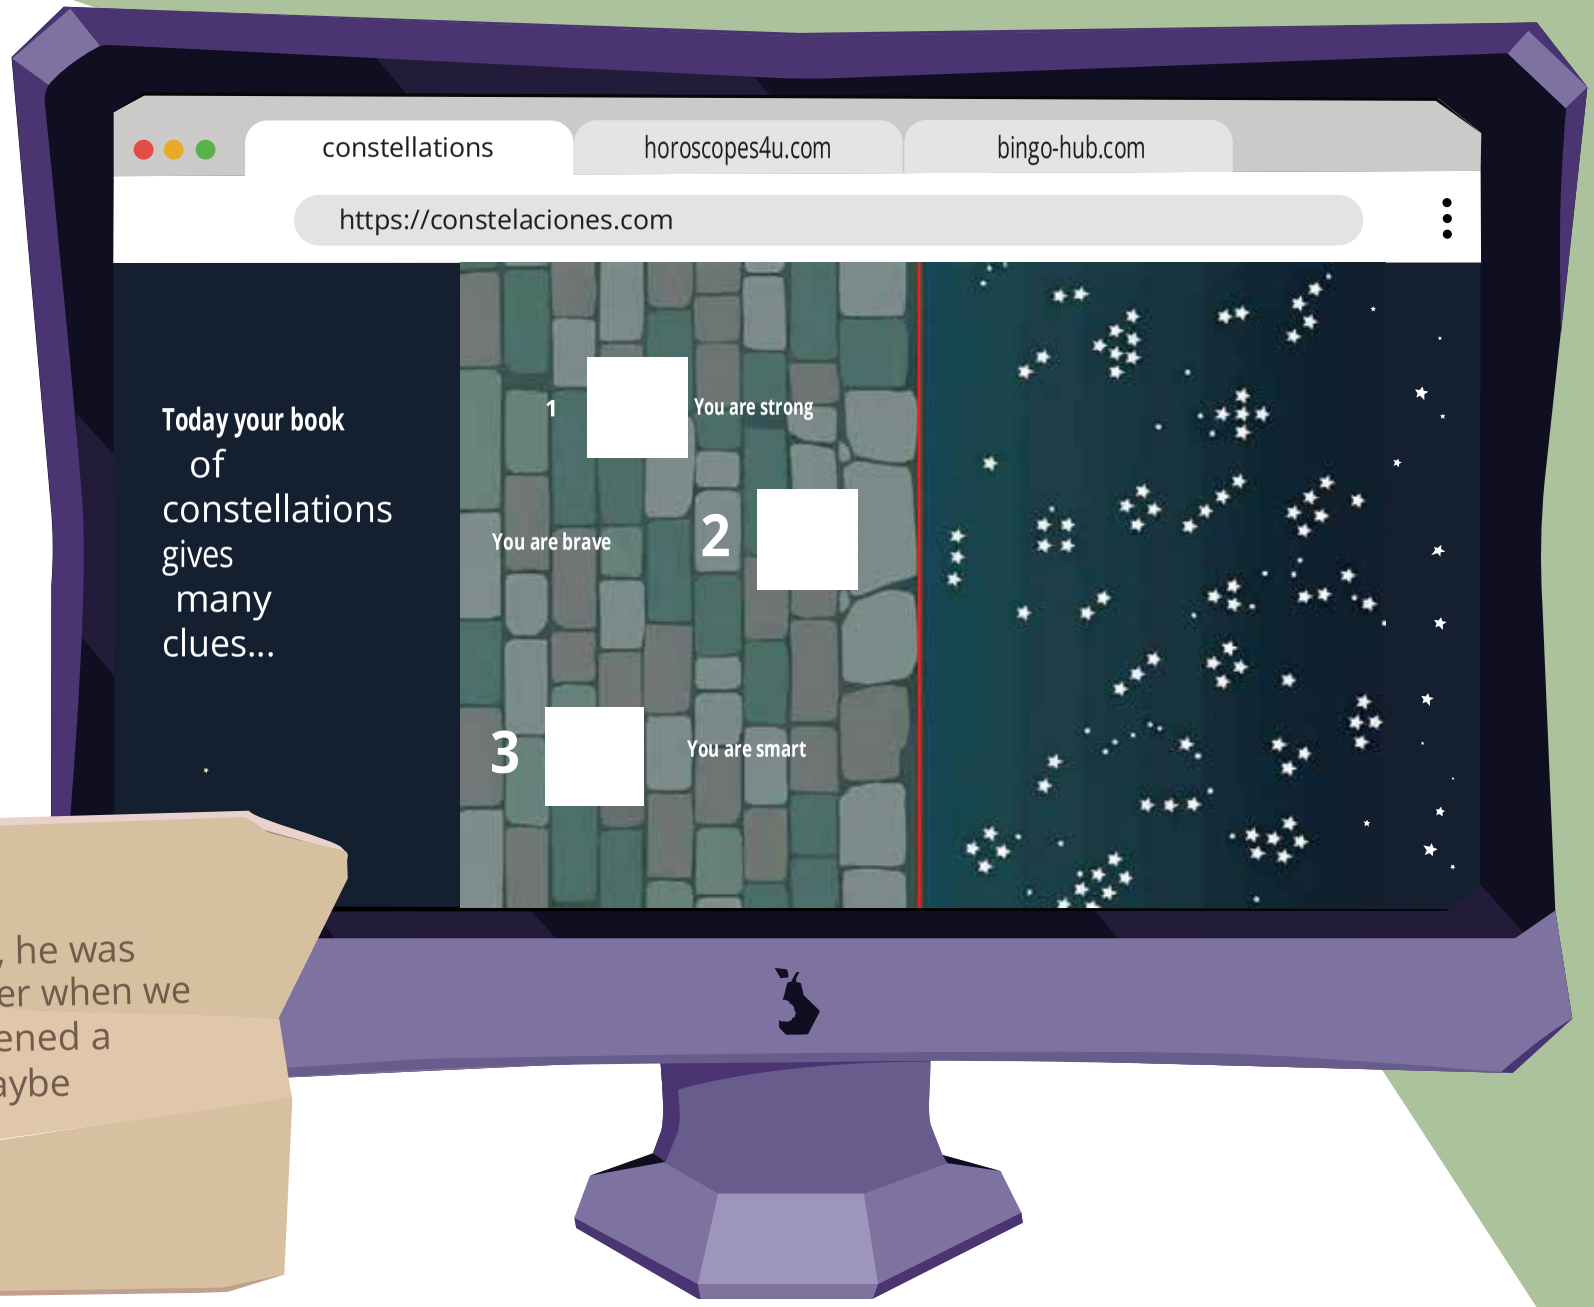

We know that Adam
they were messaging someone
through an app.

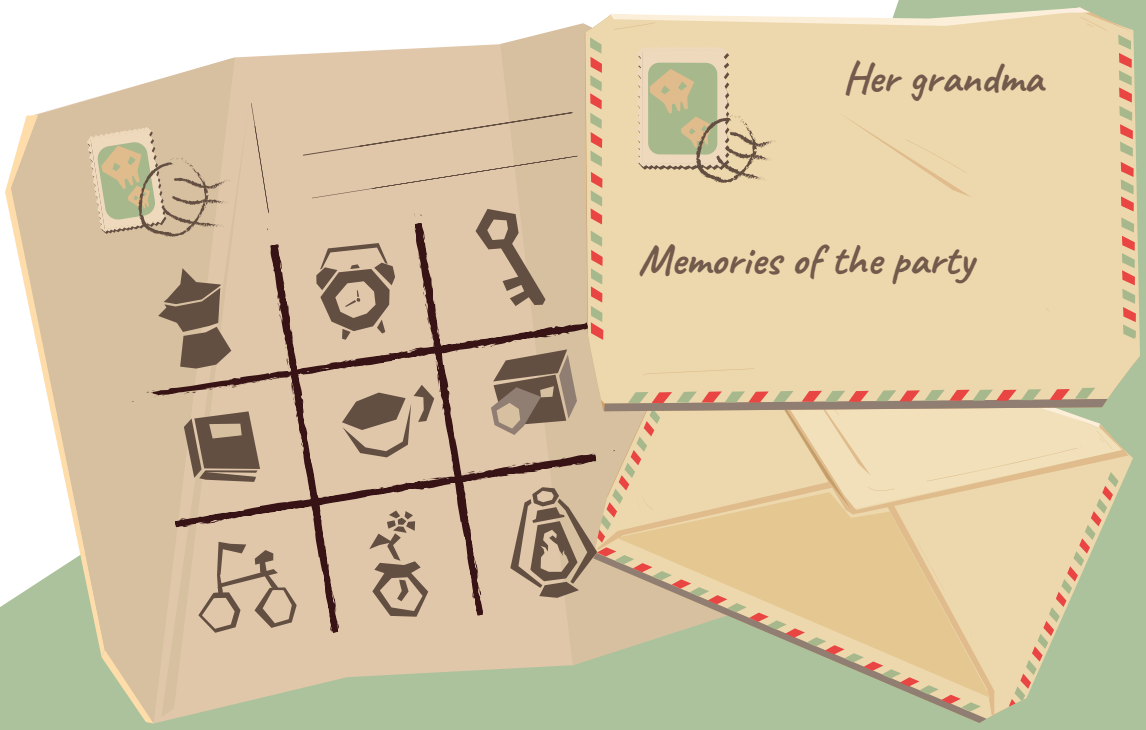

We know that Danny , he was looking at the computer when we caught him. So he opened a quick website, but maybe left us a clue without realising.

We know that Paul

Opening it we found
lots of random stuff, and
notes.

Mark was too
embarrassed to tell us this, and
has gone home.
They left us a letter along
with 1 Battleship game.

Friends / family:

I wanted to confess my most hidden hobby
on a day as special
as today.
I'm a die-hard Battleship fan.

Since I know you're looking
for culprits, I've left you a clue in
my favorite game.

I also wanted to confess my other
hobbies:

I like Hunting orcs, and I
love Sleeping rough.

I hope we can share my
hobbies some other
time all together.

If we look at the tablet of Clare maybe we'll find something.
